

Hello,

Greetings of the day!

Thank you for choosing ITS Myservices! For over 3 years, we've delivered reliable IT and digital marketing solutions tailored to your goals. Our expert team is ready to create a custom strategy to grow your business with professional web, SEO, and marketing support.

Required documents List of Things We Need to Build Your Website:

- **What You Want on the Website**
(A rough idea of what kind of site you need and what features you want)
- **Your Business Info**
(Name, what you do, contact details, etc.)
- **Your Logo & Brand Style**
(Logo, colors, fonts – anything that represents your brand)
- **The Text for Your Website**
(About your business, services, contact info, etc.)
- **Photos or Videos**
(Images of your work, team, products, or anything you want on the site)
- **ID Proof**
(A photo or scan of your ID card for verification and record purposes)
- **Domain & Hosting Info**
(Details of your website name and where it's hosted – if you have it)
- **Examples You Like**
(Some website links you like for inspiration)
- **Policies (If Needed)**
(Privacy, terms & conditions, refund policy, etc.)
- **Social Media & SEO Stuff**
(Your social links and any keywords you want to show up for on Google)
- **Green Signal to Start**
(A go-ahead from you, along with payment or agreement confirmation)

Let's connect and take your brand to the next level.

Thanks & Regards,
ITS Myservices
