

**Hello,
Greetings of the day!**

Thank you for choosing ITS Myservices! For over 3 years, we've delivered reliable IT and digital marketing solutions tailored to your goals. Our expert team is ready to create a custom strategy to grow your business with professional web, SEO, and marketing support.

Our Cloud Solutions & Services Include.

- **Cloud Infrastructure Setup**—We help you migrate and deploy your business on scalable, secure, and high-performance cloud platforms like AWS, Google Cloud, and Microsoft Azure.
- **Data Storage & Backup Solutions**—Reliable, automated cloud backups and storage systems to secure your business data with easy access and recovery.
- **Web Hosting & Server Management** – Powerful cloud hosting options with 99.9% uptime, full server control, and optimized website speed.
- **Email & Productivity Solutions** – Google Workspace (Gmail, Drive, Docs) and Microsoft 365 integration for seamless team collaboration.
- **Cloud Security Solutions** – Protect your data and applications with firewalls, access control, encryption, and threat monitoring.
- **Virtual Desktop Infrastructure (VDI)** – Secure remote desktop access for teams working from anywhere, anytime.
- **Application Deployment & Scaling** – Deploy, manage, and scale web/mobile apps without worrying about server capacity or downtime.
- **Cloud Monitoring & Maintenance**—24/7 performance tracking, patch updates, and issue resolution by certified professionals.

◆ Our Cloud Integration Process:

- **Needs Assessment & Consultation** – Understand your business workflow, data, and technical requirements.
- **Cloud Platform Selection** – Choose the best-fit platform (AWS, Azure, GCP) based on goals and budget.
- **Setup & Migration** – Move your apps, files, and systems to the cloud with minimal disruption.
- **Security Configuration & Access Management** – Set up secure access, roles, and encryption.

- Training & Ongoing Support – Empower your team to work efficiently on the cloud with round-the-clock support.

! Terms & Conditions

- Cloud platform subscription charges (AWS, Azure, etc.) are billed separately by respective providers.
- ITS Myservices charges setup and management fees as per scope of work and selected services.
- Once payment is made, it is non-refundable under any circumstances.
- Custom solutions and integrations may be subject to additional charges.
- Confidential business data and server credentials are handled securely.
- We ensure best practices for security and scalability but do not guarantee performance of third-party platforms.
- Support is provided as per the selected service plan (Basic, Standard, or Premium).
- 50% advance payment with PO on company letterhead
- Both parties agree to keep shared business info confidential.
- Uptime and SLA guarantees depend on the chosen cloud platform.

Let's connect and take your brand to the next level.

Thanks & Regards,
ITS Myservices
