Hello,
Greetings of the day!

Thank you for choosing ITS Myservices! For over 3 years, we've delivered reliable IT and digital marketing solutions tailored to your goals. Our expert team is ready to create a custom strategy to grow your business with professional web, SEO, and marketing support.

Our Digital Business Automation Services Include.

- CRM & Lead Management Automation: Capture, nurture, and convert leads automatically using custom CRM workflows and automation tools.
- Sales Funnel Automation: Design and implement automated funnels that guide your prospects from awareness to conversion, 24/7.
- Email & WhatsApp Marketing Automation: Set up auto-responders, drip campaigns, follow-ups, and behavior-based messages for better engagement and sales.
- Task & Workflow Automation: Automate repetitive business tasks like billing, reminders, reports, follow-ups, and onboarding using smart tools like Zapier, Make, and custom scripts.
- eCommerce & Payment Automation: Automate your product listings, order processing, and payment collection through secure integrations.
- Customer Support Automation: Use bots, helpdesks, and auto-routing systems to improve support and reduce manual load.
- Appointment & Booking Automation: Simplify and automate meeting, consultation, or service bookings with calendar integration and reminders.
- Reporting & Analytics Dashboards: Set up live dashboards that pull data from multiple sources to give you real-time business insights.
- Integration of Tools & Platforms: Seamlessly connect your existing tools (CRM, email, website, social media) into a synchronized automated system.

◆ Our Automation Implementation Process:

- Business Workflow Analysis & Consultation – Identify gaps and automation opportunities in your current processes.
- Tool Selection & Integration Planning – Choose the right tools/software for your goals and existing systems.
- Automation Design & Configuration – Build workflows, triggers, and rules tailored to your business.

- Testing & Optimization – Run simulations, refine flows, and ensure accuracy.
- Training & Handover – Train your team on managing and updating the automation flows.
- Ongoing Support (Optional) – We stay with you to scale, fix, or modify automations as your business grows.

⚠️ Terms & Conditions

- Automation setup charges depend on business complexity and tool selection .
- Subscription fees of third-party automation tools (e.g., CRM, WhatsApp APIs, email software) are not included.
- Once payment is made, it is non-refundable under any circumstances.
- Revisions or advanced customizations beyond the initial scope may incur additional charges.
- Recovery assistance is provided as per the selected support plan (Standard or Premium).
- All business data, credentials, and internal processes shared will remain confidential.
- 50% advance payment with PO on company letterhead
- All client data and IT information shared remain strictly confidential.
- ITS Myservices is not responsible for third-party software downtime or policy changes.

Let's connect and take your brand to the next level.

Thanks & Regards,
ITS Myservices
